"APPRECIATION NIGHT"
October 25, 1980

Bertram W. Pulsifer, selectman of Campton for 39 years and still serving on the board, was tendered an appreciation night on October 25, 1980 by his friends. More than 240 persons turned out at the Elementary School to express their thanks.

He was presented a wrist watch, a gold Masonic ring, and a book of letters from persons who couldn't attend that has been made into a scrapbook with a record of the program, the speakers and photographs of the event. In addition a bronze plaque, which has been installed at the town hall, was among the presentations.

John Pillsbury, manager of the N.H. Electric Cooperative, was the featured speaker. Others speaking were Lewis Hill, financial secretary of the Congregational Church, of which Bert has served as treasurer for more than 30 years; Gregor Andersen for the Plymouth State Fair Association and the Campton Grange; Clifford Eastman for the Plymouth Masonic lodge; Roger Hamblin for the Pemigewasset National Bank, which he served as president for many years; Kenneth Bartlett for the Plymouth Guaranty savings Bank; Sheriff Herbert Ash for state and county officials; and former Governors Sherman Adams and Hugh Gregg.

Others speaking were selectmen from neighboring towns; Arthur Gross for Thornton; Madison Sears for Plymouth; Haven Little for Rumney; Donald Dana for Holderness. Tom Corcoran of Waterville Valley and Fred Rust of the Campton-Thornton-Waterville Valley Chamber of Commerce were not able to be present but sent letters.

Kenneth Sutherland, Plymouth Selectman, presented a hugh simulated lock from the town. Donald McKinnon, Chief of Police, spoke for his department, and Peter Vaillancourt, captain of the Fire Department, for his group.

A buffet dinner was served by Harold and Dorothy Chesley. Postmaster John Dole was master of ceremonies.

Roy Pulsifer, brother of the honored guest, came from Florida for the occasion. His sister, Mrs. Ruth Dustin from Hampton, also attended, as well as his wife Laura, daughters Mamie Pulsifer and Mary Louise Noble, and son Scott Pulsifer. Olive McBride, town clerk, presented the gifts.

Committee for the affair included Mary Durgin, Chairman; Olive McBride, Russell Palmer and John Dole.

A TRIBUTE TO A DEDICATED PUBLIC OFFICIAL

We wish to pay our respects to Sterle Armstrong Cheney who served as our Town Clerk well and faithfully from 1956 through 1977 and who also served as our Treasurer from 1954 until 1980. Our congratulations are in order for a job well done. His humor and genial personality lightened the atmosphere of many a Town Meeting.

We would be remiss not to mention those little extras Sterle performed in addition to his regular duties as our Town Clerk. He received many requests from former residents and descendants of early families. These requests were never ignored, and Sterle spent much time cheerfully looking over Town records and if information was lacking there he would ask fellow townsmen and often perused county and state records.

An "Appreciation Night" was held for Sterle on May 12, 1976, at the Baptist Vestry. This was attended by 154 of his friends and relatives. At this time he received the best wishes of all present and hopes that he could be able to help us many more years. He received several gifts from family and friends.

Now in 1980 we note that Sterle at 84 years of age has painted and repaired all of the windows in our Town House and Library. We feel that this is proof that age is not the end of work and good deeds. Sterle is an example of both. May all the best things in life be his for many more years.

TOWN OF CAMPTON
RESOLUTION

Be it resolved that at this 1980 Town Meeting we wish to express our deep appreciation for the long and dedicated service of our recently retired tax collector, Arlene Vaillancourt.

She was appointed on April 1, 1964, and in that year she collected a tax warrant of about $119,000. When she retired at the end of the 1978 tax year, there was a tax warrant of about $555,000.

Whereas, it is usual for all taxpayers to never speak a good word for any kind of a tax collector, we hereby resolve at this 213th Annual Town Meeting to admit we are wrong, and that this tax collector has been a dedicated public official who has fulfilled her duties well and faithfully and has always rendered a true and just accounting of the office.

May we here assembled wish Arlene many years of health and happiness in her present job, and be it further resolved that this 213th Annual Town Meeting be adjourned in respect to this fine woman who has the respect of all, especially our taxpayers.

Given under our hand and seal this 11th day of March 1980.

SELECTMEN'S REPORT

This year has been a near duplicate to last year weather-wise. From the Town's point of view our snow removal expenses have been down.

We have been in contact with John March, who is doing our tax maps, and he has assured us that a sample map will be displayed to show what we can expect and we can explain them at Town Meeting. The completion date is set for some time this summer.

As you know, at last year's meeting you raised $6,000.00 for a soil map survey. We are pleased to report that the field work has been completed. Here again we have been assured by the Soils Conservation Committee that a sample map will be displayed at Town Meeting for your evaluation.

We trust that everyone will read the Fire Commissioner's report as the Campton-Thornton Fire Department has ordered a new fire truck to be delivered by mid-summer.

We would like to apologize for the lengthy warrant this year, but due to the fact that the Department of Revenue Administration has questioned several of the articles in previous years, this year we not only took the warrant to the attorney but also to the Department of Revenue Administration, and are hoping that the warrant will be correct.

The Planning Board has been very active during the last year preparing a questionnaire for our Master Plan. If you will refer to the Planning Board's report, you will note that we hope to have the Master Plan completed this year. In conjunction with the Campton Planning Board the Selectmen set up specific specs for construction to make sure they meet TRA specifications in the event that the Town is asked to take them over.

Campton has had a substantial population increase. In spite of the high interest rates there has been substantial building going on in Campton which will increase our broad-based evaluation.

We are glad to have Olive McBride back and well. We have also added Lynda Mower to our office on a part-time basis. If you have been to our office recently, you will note that it is constantly busy - primarily due to the state and federal government. If this continues, our part-time Selectmen will be a thing of the past.

Again, we would like to bring to your attention that the goals set forth for each capital reserve fund is down so that we have a surplus of money available for future expenses raised over a period of years. See Article 21 and 22. This is being done to help stabilize our tax rates.

CAMPTON GRANGE TOWN LIBRARY

The Library is open the first and third Saturday afternoons of each month from two until four thirty. We are also open to suggestions at any time for books that might be appealing to our readers. Please come in and look over our selection.

A successful book sale was held in the Town House in August which was continued on both Primary and Election Days.

As always we appreciate the donations of books and magazines from our Campton readers. A good friend, Mr. Herbert Chase of Greensbboro, N.C. has given us books, pamphlets and magazines for several years. Mr. Chase is a descendent of an early Campton family and keeps up a lively correspondence with a contemporary, Sterle A. Cheney as well as the Librarian. We thank you Herbert for both the donations and letters.

Several years ago a donation was given for the benefit of our Library from the Lester E. Mitchell Sr. Testimonial. Since then the fund has been increased from donations in memory of Louise E. Shearer in 1976 and Mrs. Sarah Pettengill in 1979. As you will note from the Trustees' report the balance is growing.

The following is a list of some of the books added this year:

Janus Imperative	Evelyn Anthony
Kane and Abel	Jeffrey Archer
Forgotten Arts (4 Pamphlets)	Richard Bacon
Shadows on the Tor	Susan Brand
Roosevelts of Hyde Park	James Brough
All My Patients Are Under the Bed	Louis J. Camuti
Fifteen	Beverly Cleary
Donahue	Phil Donahue
Royal Charles	Antonia Fraser
Family Affairs	Eleanor Gaskin
Witchcraft Papers	Peter Haining
A Country Journal	Harwood and Durant
The Long Shadowed Forest	Helen Hoover
Gold Dust	Donald Dale Jackson
God and the Astronomers	Robert Jastrow
Grandma Moses	Otto Kallir
Lonely on the Mountain	Louis L'Amour
The Hidden Target	Helen MacInnes
Mark Twain's Treasury of Humor	

The Covenant	James Michener
Sarah Walked Over the Mountain	Ruth Moore
Second Person Rural	Noel Perrin
Random Winds	Belva Plain
Texas and other historical westerns	Dana Ross
If I Ran the Zoo	Dr. Seuss
Blizzard	George Stone
Tall Tales and True Tales from Down East	Stuart Trueman

CAMPTON PLANNING BOARD REPORT

The Campton Planning Board has had quite a busy year. The Board recommended to the Board of Selectmen that the Soils Conservation Service be commissioned to complete the soils map of the town. The questionnaires, our first step towards a Master Plan, were distributed through the courtesy of the Campton-Thornton Woman's Club. We had a very good response by the number returned. We are now tabulating these questionaires and should have some idea of how the people want the town of Campton in the future.

The Board will continue work on the Master Plan. Hopefully, we will have the Plan ready for a town vote at next year's Town Meeting.

CAMPTON THORNTON FIRE DEPARTMENT

Another year has slipped by, therefore, it is time to submit our annual report from the Fire Department.

A financial report will be found elsewhere in this Town Report.

Since our cost report, a couple of changes in the administrative end of the department have occurred. Number one is the resignation of Chief David Tobine and the promotion of John Duguay to temporary chief. Number two is the resignation of Clarence Pulsifer as Fire Commissioner and the appointment of "Don" Hutt as his replacement. "Don" was also named chairman of the commissioners, for one year.

As of December 31, 1980, we have not appointed a permanent chief. We are working on this appointment and hope to come up with someone who will be agreeable to all.

During the year we have purchased a used tanker truck, and have on order a new pumper truck which is scheduled for delivery in July or August. A fire truck is scheduled to be stationed in Thornton when they build their new fire station. We understand they will start construction in the spring.

We have also ordered some 4" hose for the first time. This was a top priority of our department as most departments in the Twin River Mutual Aid have had 4" hose for some time.

We feel we have improved your fire department equipment and stayed within our budget. Of course, the cost of gas and fuel oil has hit hard on our budget as it has on yours.

At this time we would like to thank the Firemen for giving so much of their time to fighting fires in this area. We can use more members in the department. If interested in joining the department, please contact the Fire Chief or any fireman.

Thank you for your continued support.

Donald Hutt, Chairman
John Dole, Commissioner
William Drake, Commissioner
Robert Mardin, Commissioner
Neil Robertson, Commissioner

NOTICE FROM THE SUPERVISORS

Before September 1, 1981, the Supervisors of the Checklist are required to verify each and every voter on the checklist.

Accordingly, all persons who did NOT vote at either the National Election held on November 4, 1980, or at the Town elections held on March 10, 1981, will be required to fill out new registration cards and domicile affidavits.

Registration cards and domicile affidavits are available at the Town Clerk's office during all regular business hours. The Supervisors will be meeting several times before the September 1 deadline, notices of which meetings will be published in the Record Citizen and posted at the Town Office and West Campton Post Office.

All persons not voting in either of the elections hereinbefore mentioned, or who do not fill out new registration cards and domicile affidavits will be removed from the checklist on or before September 1. All persons who are removed will be notified as required by law.

1980 REPORT FROM THE PEMI-BAKER HOME HEALTH AGENCY

The Pemi-Baker Home Health Agency wishes to extend Campton an invitation to once again become a member of our home health care service. This service is becoming more and more prominent in the health field, statistics proving that hospitalization costs are greatly reduced by having home health care services available in your community. Therefore, primary payors such as medicare, are encouraging earlier discharge from hospitals and extended care facilities to the home care situations. This creates less financial burden and the well-being of the patient who is happier recovering in the home setting.

During 1980 the Pemi-Baker Home Health Agency supplied Campton with 334 skilled nursing visits; 67 para-professional home health aide visits, 317 trained home maker visits; 357 physical therapist visits; 141 free blood pressure clients; 4 diabetic screening clients, and office calls for blood pressure, shots, and other skilled care for those not housebound.

Immunization clinics are held bi-monthly at the American Legion Hall in Plymouth. The following immunizations were administered to Campton residents: Polio 32; Mumps 4; Rubella 2; Measles 3; Measles/Rubella 3; Measles/Mumps/Rubella 10; Adult Tetanus 11; Diptheria/Tetanus/Pertussis 21, and Tuberculosis Testing 1.

Many other services are offered by the nurses, nurses' aides, homemakers, physical therapists, and staff of the Pemi-Baker to the residents of Campton. Such services as newborn infant evaluation visits, plus many services to individual patients that go statistically unnoticed, such as making out medical forms, writing, and mailing letters, aiding them in getting such services as Meals on Wheels, mental health checks, etc., running errands, picking up prescriptions, and delivering them.

This all falls under "Kindness and Caring" over and beyond the call of duty. Pemi-Baker personnel live and practice their motto "WE CARE FOR YOU."

Campton Representative

GRAFTON COUNTY COMMISSIONERS REPORT

To the Citizens of Grafton County:

In an effort to communicate more directly with the taxpaying citizens of Grafton County, we, the Grafton County Commissioners, are writing to you through your individual town or municipal reports.

Due to inflated Nursing Home expenses with somewhat reduced revenues and rapidly increasing costs of welfare reimbursements to the State, our budget year ended very close to the line, with a $3,620 surplus. Because of the Delegation's decision to use a two-year surplus in one budget year to allow citizens a reduced county tax in FY 1980, the 1981 fiscal year budget resulted in a heavier tax factor making up that decrease as well as offsetting reduced revenues and allowing for standard budget increases.

As with towns, the county welfare assistance programs are increasing and becoming more involved, especially with the current energy crunch and rapidly inflating economy. We also foresee a possible decrease in Federal and State contributions to social service programs which could have considerable impact on local budgets.

The sewage disposal system has progressed slightly, with planning completed and ready to go out for bid. If all goes well, we may be able to submit a final report next year.

The Commissioners worked closely with the Nursing Home Employee Council to set up a wage/benefit package more compatible to the State program for Glencliff employees. The Commissioners hope to work out a job description/wage scale plan for courthouse employees in the near future.

Grafton County is gradually converting from a bookkeeping machine system to a computerized system for all county accounts. Payroll was converted effective January 1, 1980, and vendor payment and receipt programs were recently added. Patient accounts and purchase order programs will be added later. The system is too new for comprehensive comments, but we anticipate constructive changes in the overall accounting and reporting system.

The Commissioners hold their regular meeting every Monday (except holidays) at 9:30 a.m. in the Commissioners' Office of the Grafton County Courthouse, followed by a second meeting at the Grafton County Nursing Home Complex at 1:00 p.m., which regularly includes visits to farm and jail facilities. Public and press are welcome, and, in fact, are encouraged to attend the meetings.

Richard L. Bradley,
Chairman
Dorothy Campion,
Clerk
Arthur E. Snell

CAMPTON, N.H.

The law below was voted in at the 1980 General Election held in November 1980.

RSA 466:30-a states the following: it shall be unlawful for any dog to run at large, except when accompanied by the owner or custodian, and when used for hunting, herding, supervised competition, and exhibition or training for such.

In this section "at large" means off the premises of the owner or keeper and not under the control of any person by means of personal presence and attention as will reasonably control the conduct of such dog, unless accompanied by the owner.

Any authorized person may seize, impound, or restrain any dog in violation of this section and deliver said dog to a person or shelter authorized to board dogs. Such dogs shall be handled as strays or abandoned dogs pursuant to applicable laws.

Any law enforcement officer may issue in the name of the owner or keeper of such dog a notice of violation. Such forfeiture of $10.00 which must be paid to the clerk of the town or city wherein such dog is owned or kept within 96 hours of the date and time notice is given. In the event such penalty is not paid to the town clerk within the time limitations specified, a summons shall be issued for appearance in district court, and this will be treated as a violation.

The above law will be enforced in Campton, N.H. We would appreciate all dog owners to restrain their dogs in accordance with this law.

Town of Campton, N.H.

ANNUAL REPORT OF THE SCHOOL NURSE — 1980

The State of New Hampshire Division of Communicable Disease Control asked all school nurses to audit the immunization status of all school children and update records. I am happy to report that 96% of the 228 students at the Campton School have had all immunizations. I appreciate the help of parents and the Pemi-Baker Home Health Agency in providing free immunization clinics.

Annual screening tests were conducted on all students. Each child had his or her vision and hearing tested and height and weight recorded. Blood pressure and posture were checked in grades 5 through 8. If necessary, referrals are made to parents and follow-up checks are made by the nurse. A new doctor's office type scale was purchased so that a more accurate record may be kept of the health status of our children. This year, Campton, Thornton, Wentworth and Rumney combined to buy a new audiometer for hearing testing. This enables the school nurse to have constant access to an audiometer.

The fourth grade is again flossing and brushing their teeth under the direction of Herberta Stark, New Hampshire State Hygenist and their Teacher, Bill Ribas. The aim of this program is to establish good lifelong health habits.

The school nurses, Lions Club and the New Hampshire Department of Public Health again combined to hold a preschool vision and hearing clinic at the Plymouth Elementary School. The purpose of this is to detect and correct potential problems prior to school entry. Preschool registration for kindergarten is held in May in order to obtain medical and health records of incoming students. Also these sessions orient parents and pre-schoolers to school policies and preschool expectations.

Part of the school nurse's role is as a resource person to all teachers and students. I try to provide films on various aspects of health and safety and am available for specific health teaching. Community health is a major concern of the school nurse, and it is through your communication as parents and members of the community that I can assess the needs and desires of the Campton people. Due to the increasing enrollment at the school, I now am in the school 2 mornings and one afternoon a week.

I wish to thank the teaching staff, the many physicians, parents, and students for their support.

Respectfully submitted,
Martha B. Augiar RNMN
Campton School Nurse

PRINCIPAL'S REPORT

With great pleasure and honor, I present to the residents of Campton my sixth annual report.

School reopened its doors in September establishing a new enrollment record of 225 students, a 10% increase over last year's opening enrollment of 204. The current enrollment stands at 228, an increase of 52 students since September 1977.

The school's faculty has five new members: Mr. William Ribas, fourth grade teacher, returns to Campton after 1/2 year teaching in the Newfound School District (Mr. Ribas student taught in the second grade at Campton). Mrs. Sally Curtis is our new 6-8 Science and Reading teacher. She's a graduate from the Univ. of Vermont and was employed last year as a middle school aide at the Plymouth Elementary School. Mr. Jack Irving is our new 6-8 Social Science and English teacher. Jack previously taught for six years in Tamworth and is a graduate of Plymouth State College. Our music program is now under the direction of Mrs. Doreen Noseworthy, and the Physical Education program is under the direction of Mr. James George, both of whom are graduates of Plymouth State College. The school has three new support staff members. Our hot lunch director is now Mrs. Susan Bowie, and her assistant is Mrs. Polly Burhoe. The new secretary/librarian is Mrs. Kathryn Joyce.

Playground

Sitework Specialists was awarded the contract for completion of the athletic-play field in the rear of the school. The project has been completed except for the base paths which will be done in the spring. The area has been seeded, and we are expecting student and community use this spring.

S.T.A.F.F.-Students, Teachers, All Families and Friends

There is a new core of enthusiastic and energized officers who are: Karen Martin, President; Sandy Belair, Vice-President; Sue Johnston, Secretary; and Kathy Barton, Treasurer. The organization is currently conducting raffles and other fund-raising activities to make additions to the playground equipment.

Artist-in-the-School

The school was awarded its third grant from the New Hampshire Commission of the Arts--Artist-in-the-Schools program. Emile Birch, sculptor, from Canaan, is our Artist-in-Residence and has already provided exciting learning experiences with his plastic inflatable structure and stick structures. The students are currently considering

the design and construction of a school project which may be displayed in the green area between the two classroom wings.

Budget 81-82

This year the assessment being presented for the 1981-82 school year represents a 9.9% increase; of that, 27.2% is due to the high cost of energy, 24.3% is the result of an increase in the high school tuition rate, 14.2% is the result of the increase in the transportation costs, and 34.3% represents increases in the remaining accounts which include salaries to employees, services and materials.

The school administration has worked extremely hard to minimize the increase in the school; however, when one considers the 13% inflation rate and the 10% growth rate; I think it becomes apparent that much effort has been made to minimize the increases in school cost.

In conclusion, I hope that the school parents and community can continue to work together to provide each child with a reasonable and responsible educational program.

Michael J. Martin
Principal

SUPERINTENDENT'S OFFICE REPORT

Education is important to all of us — as parents, business leaders, and residents of this community. Schools help prepare young people to assume their share of responsibility for making our community a better place to live. We are proud of our schools. Working together we can ensure that our students receive the best possible learning opportunities.

As we approach the decade of the 80's, we can anticipate that more students will be attending schools, the level of education will be rising, people will be reading more books, and public schools will be providing more services for students. We may not be perfect, but we have experienced many successes.

People today are continuing to seek more education. In 1900, 72 percent of our five through seventeen year olds were enrolled in school. However, only 69 percent of those enrollees were acrually attending classes. By 1976, 80 percent of our young people were enrolled, and 92 percent of that group was attending class. Education is appealing to a greater percentage of our youth. In 1900, 6 percent of the seventeen year olds were high school graduates. It is now an impressive 74 percent!

According to a University of Illinois study, library usage rose 15 percent between 1968 and 1978. Even with all the outside distractions today, Americans are reading more, with a big assist from the schools. Today's students are reading better at the 6th and 10th grades than students 30 years ago. Literacy, one measure of success, has consistently improved in the United States. In 1900, 11.3 percent of our people were functionally illiterate. Eighty years later, only 1.2 percent was illiterate.

Does all this education pay off when students graduate? You bet it does! Education is a prime vehicle for upward mobility in our society. More education equals more opportunities. The achievements of public education benefits all of us; that's why we all need to work together to seek even greater improvements. Our high standard of living did not happen by chance. It is the graduates of our public schools that have helped develop this high standard of living.

The community's most important natural resource is its young people. Working together, parents, educators, and community members can provide our youth with the best possible learning opportunities.

In conclusion, we ask you to accept your share of the responsibility for making education even better. We ask you to work constructively with the school to make certain that students are provided the best possible learning opportunities that are commensurate with your expectations.

EXPLANATION OF SUPERINTENDENT'S AND ASSISTANT SUPERINTENDENT'S SALARY FOR 1979-1980

Chapter 189, Section 58 Revised Statutes Annotated of the State of New Hampshire, requires that the school district annual report show the total amount paid to the Superintendent of Schools as per the following quotation: "Reports. Each superintendent of a School Administrative Unit shall annually prepare a report of the total salary paid to the superintendent, showing in detail the amount paid by the state and each local school district and their share of same ... Said report shall be included in the annual report of the respective school district as a separate entry. A like report and entry shall be made for each assistant superintendent, teacher consultant, and business administrator, if any is in service in the unit."

One-half of the School Administrative Unit expenses is prorated among the several school districts of the unit on the basis of adjusted valuations. One-half is prorated on the basis of average daily membership in the school for the previous school year ending June 30th. The salary of $27,500 which was received by the Superintendent of Schools of School Administrative Unit #48 during 1979-1980 was made up as follows: $2,500 paid by the State of New Hampshire and $25,000 was prorated among the school districts comprising the School Administrative Unit. Allowance for $1,200 travel within the Unit was also prorated as stated above.

The salary of the Assistant Superintendent during 1979-1980 was made up as follows: $2,390 paid by the State of New Hampshire and $22,110 was prorated as stated above. Allowance for $1,800 travel within the Unit was also prorated as stated above.

The table below shows the portion of salary and travel charged to each school district.
